

Fungus 22 Chaddesden Wood LNR on 29 October 2022

A lovely walk and welcome to miss the rain, thank you for your interest in Chaddesden Wood LNR. Plenty of Mycorrhizal fungi and key specials like Sulphur Knight, Fly Agaric and Wood Blewit. The Oyster fungus I changed to Pale Oyster because of its habitat but still a treat to find, apparently common in cultivation!

Thank you.

Total species found 54

Amanita muscaria Fly Agaric MYC (with birch)
Armillaria mellea Honey Fungus
Auricularia auricula-judae Ear Fungus (with elder)
BjerkNDra adusta Smoky Bracket
Boletus cisalpinus Red-cracked Boletus MYC
Clitocybe metachora Funnelcap
Clitocybe nebularis Clouded Agaric
Clitocybe nuda Wood Blewit
Clitocybe gibba Common Funnel
Collybia butyracea Buttercap
Coprinus micaceus Glistening Inkcap
Cortinarius sp.
Crepidotus variabilis Oysterling
Dacrymyces stillatus Jelly Spot
Diatrypella quercina Oak Barkspot
Entoloma confederum Pinkgill
Hebeloma crustulineforme Poison Pie
Hyphodontia sambuccii Elder Whitewash
Inocybe hirtella Hazel Fibrecap
Inocybe napipes Bulbous Fibrecap
Laccaria amethysta Amethyst Deceiver (with Beech)
Laccaria laccata The Deceiver
Lactarius quietus Oakbug Milkcap MYC
Lactarius tabidus Birch Milkcap MYC
Laetiporus sulphureus Chicken of the Woods
Lycoperdon molle Soft Puffball
Lycoperdon perlatum Common Puffball
Lycoperdon pyriforme Stump Puffball
Lycoperdon utriformis Mosaic Puffball
Macrolepiota rhacodes Shaggy Parasol
Mycena archangeliana Angels Bonnet
Mycena galericulata Common Bonnet
Mycena galopus Milking Bonnet
Mycena polygramma Grooved Bonnet

Mycena pura Lilac Bonnet (with Beech)
Mycena vitalis Snapping Bonnet
Nectria cinnabarina Coral Spot
Panellus stipticus Bitter Oysterling
Paxillus involutus Brown Rollrim
Piptoporous betulina Birch Polypore
Plurotus pulmonarius Pale Oyster
Pluteus cervinus Deer Sheild
Psathyrella bipellis Brittlestem
Psathyrella piluliformis Common Stump Brittlestem
Scledroderma citrinum Common Earthball
Stereum hirsutum Hairy Stereum
Trametes versicolor Turkey Tail
Tricholoma sulphureum Sulphur Knight MYC with oaks
Xylaria hypoxylon Stagshorn/candlesnuff

Photographs with additional fungi sent to me this year:

Collybia erythropus Redleg Toughshank
Fistulina hepatica Beefsteak - on Oak
Grifola frondosa Hen of the Woods - on oak
Lycopedon excipiliformis Pestle Puffball
